

NIXON

Sofa range

THE STORY

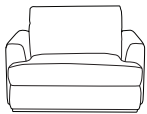

The Nixon range is the epitome of function and style. Angled arms cater to your comfort while foam and fibre cushions add that extra support just where you need it. We love the hidden storage option which makes it ideal for apartment living, families and busy lifestyles. Textured fabric and a timber plinth detail gives the Nixon sofa modern sophistication with a nod to mid century style.

MATERIALS

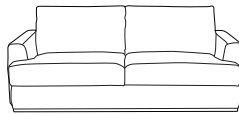

This Sofa uses timber as a frame comprising timber composites. It's cushion fill is made of foam and fibre composites. It has webbing and spring seat suspension for long term support and consistent comfort; and webbing suspension in the back.
